

Among the characters are Le Beau, Jaques [Ja-kweez], Hymen, and Touchstone. Settings include an orchard, the court of a duke, and the Forest of Arden. Perhaps the most famous quote from it is "All the world's a stage." FTP name this Shakespeare comedy which focuses on the love of Orlando and Rosalind.

[**As You Like It**]

He had a knack for arriving after the worst had passed. He went ashore at Utah Beach 4 days after D-Day and was promoted to Brigadier General after leading the 187th Airborne Regimental Combat Team into Korea in late 1952. This pattern changed in June 1964, when he was put in charge of the U.S. Military Assistance Command in South Vietnam, two months before the Gulf of Tonkin incident turned the job into a major one. His once-modest assignment had him in charge of 510,000 ground troops by the time he was relieved by Creighton Abrams in June 1968. FTP name this general. [William Westmoreland]

5. Martha Finney named a dilemma after him in the cover story of the Feb. 1997 issue of *HR Magazine*. Originally a nameless walk-on character, he struck a nerve with his arcane and sadistic games and got a permanent role. His name was suggested in a flood of e-mail received by his creator, Scott Adams. FTP name the evil director of human resources, who toys with employees like balls of yarn in *Dilbert*. [Catbert]

The name derives from the founders' desire to systematically study religion and to follow the Bible interpreted by tradition and reason. It traces its origin to evangelistic preaching within the Church of England by John Wesley. FTP name this denomination, established in the U.S. in 1784 and in Britain in 1791.

[**Methodists or Methodism**]

The family's black cook, Berenice, and a six-year-old cousin named John Henry are the only companions for a motherless 12-year-old girl, Frankie Adams. When her older brother is about to be married, Frankie misunderstands her role in the ceremony; she is deeply anguished when she learns of her error. FTP name this 1946 novel by Carson McCullers. [The Member of the

Wedding]

Its angular impulse is designated J-sub-theta, and it's usually denoted by a capital gamma. Convention gives it a positive value if it's clockwise and a negative value if counterclockwise. FTP give the term for the tendency of a force to cause a rotation of the body on which it acts. [torque]

While he served as minister of health in the mid-1920's, he was overshadowed by his half-brother, who as foreign secretary shared the 1925 Nobel Peace Prize. He rose to Chancellor of the Exchequer in 1931 and served until 1937, when he succeeded Stanley Baldwin as Prime Minister. He resigned in 1940 amid general dissatisfaction with his conduct of the British war effort. FTP name this man, remembered for his policy of appeasement toward Nazi Germany. [Neville Chamberlain]

Like most German scientists of Jewish ancestry, he was forced into exile by Hitler's rise, although he worked just a few months in Britain before dying on a Swiss holiday. Ironically, he'd been known in scientific circles as a staunch patriot, since he devoted his Kaiser Wilhelm Institute for Physical Chemistry to the war effort in World War I and had even supervised the release of chlorine gas into the French trenches at Ypres. FTP name this chemist, whose method of synthesizing ammonia won him the 1918 Nobel in Chemistry. [Fritz Haber]

The name is still used to refer to a protruding lower lip, a feature visible for 18 generations of these. Their name, meaning "hawk's castle," comes from their ancestral Swiss home. FTP name this family, which once occupied the thrones of Bohemia, Hungary, Germany, Spain, Austria, and the Holy Roman Empire.

[**Hapsburg**]

A child prodigy in math, he was correcting his father's sums at age 3. He was still in his teens when he used the method of least squares to calculate an orbit for Ceres. FTP name the versatile genius who proved the fundamental theorems of both arithmetic and algebra, namesake of the unit of magnetic flux density.

[Johann Karl Friedrich **Gauss**]

Rivers there include the Hart, Stewart, Pelly, Teslin, and Bonnet Plume; cities include Mayo, Carmacks, Carcross, Faro, and Dawson. It also features the Kluane National Park, which includes Mt. Logan, the highest point in Canada. FTP name this province whose capital is Whitehorse. [Yukon]

In 1948 he cofounded a music festival in his hometown, Aldeburgh, where his operas *Noyes Fludde*, *Let's Make an Opera*, and *A Midsummer Night's Dream* later premiered. Among his other operas are *Albert Herring*, *Billy Budd*, *The Rape of Lucretia*, and *Peter Grimes*. FTP name the composer of "A Young Person's Guide to the Orchestra". [Benjamin **Britten**]

He used to entertain his daughter with a story he made up about young Jeremy and his encounter with the Baby Snoogle-Fleejer. When his daughter became a grad student in art history, she illustrated her dad's story and it's been published as a children's picture book. His previous books include Everything to Gain, The Blood of Abraham and Why Not the Best? FTP name this author, whose other career included stints as Governor of Georgia and President of the U.S. [Jimmy **Carter**]

In 1930 Thomas "Daddy" Rice published his most famous song. The chorus of this minstrel song began "Wheel about, turn about, do just so, every time I wheel about, I jump" FTP complete the chorus and you'll have given the term, familiar to readers of C. Vann Woodward, used for racial segregation in public places.

[Jim **Crow**]

It is divided into the families Phocidae, Otariidae, and Odobenidae. Members of this order of mammals include the walrus, the seal, and the sea lion. FTP name it. [Pinnipedia]

BONI -- ROUND 5**1998 DENNIS HASKINS OPEN, UT-CHATTANOOGA**

They co-authored a memoir, We Seven. This may confuse those who realize that the Mercury space program consisted of six one-man flights. There were indeed seven of them; the seventh was grounded by a heart murmur but remained with NASA and, when the heart problem inexplicably disappeared, finally made it to space on the Apollo-Soyuz joint mission in 1975. For 5 pts. for the 1st 2 and another 5 pts. for each additional member, name the seven original American astronauts. [Alan Shepard, Virgil "Gus" Grissom, John Glenn, M. Scott Carpenter, Walter Schirra, Gordon Cooper, & Donald "Deke" Slayton]

Identify the philosopher from the following quotes, 30-20-10-5:

- (a) "My time has not yet come either; some are born posthumously"
- (b) "Believe me! The secret of reaping the greatest fruitfulness and the greatest enjoyment from life is to live dangerously!"
- (c) "I teach you the Superman. Man is something that is to be surpassed."
- (d) "God is dead..." [Friedrich Nietzsche]

For 10 pts. each, name the artists of the following works:

- (a) "A Sunday Afternoon on the Island of La Grande Jatte" [Georges Seurat]
